## INTERNATIONAL DAY OF SOCIAL JUSTICE

Social Justice promotes fairness and equality across many aspects of society. It promotes equal economic, educational and workplace opportunities. It's also important to the safety and security of individuals and communities. It ensures that individuals fulfil their roles in the society and receive their due from society. Four principles of Social Justice: "Equality, Access, Participation and Human Rights"

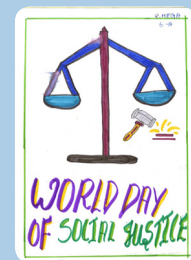

**H. DHINESH, VIII-A**

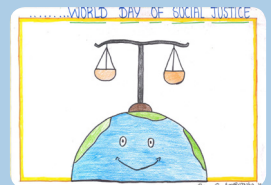

The main goal of the World Day of Social Justice is to raise awareness of social injustice and to bring together diverse communities around the world to eradicate poverty. Social Justice in terms of the distribution of wealth, privileges and opportunities within a society is the aim of this day.

"Learn to Accept the Thing you Cannot change"

**S.R. MANISH, VIII-A**

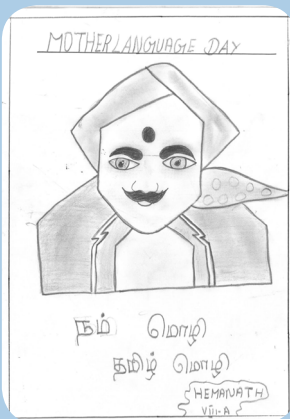

World day of social Justice is observed on 20th February every year. This day tackles issues like poverty, exclusion and unemployment. The primary focus is to provide social protection jobs and a safe future for all. Everyone should be able to raise their voice. There should be peace everywhere. The world day of Social Justice is also known as Social Justice Equality Day. It is a very historic day because of the objectives of this day. The theme of World day of Social Justice 2023 was Overcoming Barriers and unleashing opportunities for Social Justice.

**P. BARATH RAJ, VI-A**

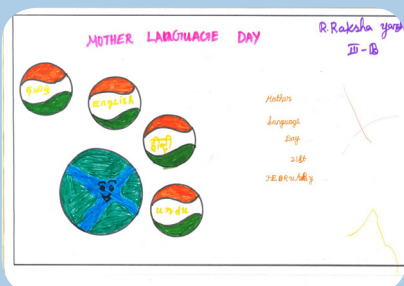

## INTERNATIONAL MOTHER LANGUAGE DAY

International Mother language day is celebrated on 21st February every year. Mother language is the language that one learns from birth and speaks better than other language. The main aim to celebrate this day is to bring awareness to the people about their mother language. These days we see that the mother language is losing its importance comparing to other languages. Though English as a unifying language is truly wonderful, we cannot allow the death of our mother language. Gandhiji always said that the primary education should be given in mother language. The mother language is the true vehicle of wit. The mother language is an inseparable part of man's personality and must never be lost. The mother language should be preserved at any cost to preserve our rich culture. I am proud of my mother tongue "TAMIL"

**K. KAVYA, VIII-B**

Mother language means a language through which the people of nation express their idea, thoughts, feelings, diversity and emotions clearly. Bangla language has now been recognized at the sweetest in the world. The introduction of the mother language will not only promote linguistic diversity but also much language based education.

21st February is the international mother language day that was started to celebrate from 17th November 1999, when UNESCO declared. Most internet communication is among the following languages: English, Chinese (Mandarin). Spanish, Arabic, Portuguese, Japanese, Russian, German, French, Korean.

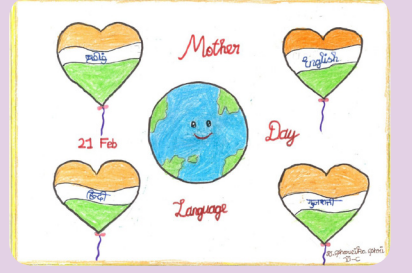

**M.GOWSIKA, V-B**

21st February is celebrated as International Mother language day every year. 21st February is a red letter day in the history of Bangladesh. On this day their valiant sons laid down their lives for the mother tongue. The Pakistani rulers tried to establish Urdu as the state

language. Bangladeshis protested this and some of them were brutally killed on 21st February 1952. At last Bangladesh was established and 21st February has become the mother language day. It was first announced by UNESCO on November 17, 1999, Since then it is being celebrated every year. Bangladesh remembers her brave sons on this day.

## உலக தாய்மொழி தினம்

பிப்ரவரி மாதம் 21.02.23 அன்று நமது பள்ளியில் உலக தமிழ்மொழி தினம் வெகு சிறப்பாகக் கொண்டாடப்பட்டது. தமிழ்தாயை வாழ்த்தி சிறப்பு வலது பாடலுடன் விழா இனிதே தொடங்கியது. விழாவில் பள்ளி முதல்வர் திரு. திவ்யநாதன் ஐயா அவர்கள் முன்னிலை வகுத்தார்.

தமிழ்மொழியின் பெருமைகளையும், சிறப்புகளையும் உணர்த்தும் நோக்கில் சொற்பொழிவு நிகழ்த்தப்பட்டது. தமிழ்மொழியின் பெருமையை பறைசாற்றும் விதமாக மாணவர்கள் உறுதிமொழி எடுத்தனர்.

தமிழ் வளர்த்த சான்றோர் என்ற மாறுவேடப் போட்டியில் தமிழக் கடவுளாம் முருகர், மகாகவி பாரதியார், புரட்சி கவிஞர் பாரதிதாசன், தமிழ் மூதாட்டி ஓளவையார், திருப்பாவை இயற்றிய தெய்வப்பூலவர் எனப் பல வேடம் இட்டு வந்து மாணவர்கள் தமிழ்மொழியின் சிறப்பை விளக்கினர்.

தொன்மையான தமிழ்மொழியும் செம்மொழி பாடலுக்கு மாணவிகள் நடனம் ஆடினார். நமது பள்ளி மாணவி, உலகில் மாநாடு நடத்திய முதல் மொழியாம் நம் தமிழ்மொழிக்கு கவி பாடினாள். இறுதியில் நாட்டுப்பண்ணுடன் விழா இனிதே முடிவு பெற்றது.

## NATIONAL SCIENCE DAY (Feb 28)

The good thing about science is that it's true whether you believe it or not. Everything is theoretically impossible, until it is done. Science is the great antidote of enthusiasm and Superstition. The Science of today is the technology of tomorrow, Science is beautiful gift to humanity; we should not distort it.

M. LAKSHARAA, VIII-B

## VIRTUE OF THE MONTH FEBRUARY

Virtue of 1st week is Generosity: (Jan 30 - Feb 5)

Generosity is the virtue of being liberal in giving. Generosity is giving to another person something of yours as an act of freewill, without obligation. There is something so special about generous people that brings life, joy, empowerment and freedom into the atmosphere when they turn up.

Generosity is the habit of giving freely without expecting anything in return. It can involve offering time, assets or talents to aid someone in need. Often quilted with charity as a virtue, generosity is widely accepted in society as a desirable trait. In times of natural disaster, relief efforts are frequently provided voluntarily by individuals or groups acting unilaterally in making gifts of time, resources, goods, money, etc.

Generosity is a guiding principle for many registered charities, foundations and non-profit organizations. It can also be spending time, money, or labor, for others, without being rewarded in return.

M.KANISHKA, VIII-B

Willingness to help or support is called generosity. It is an act of frequently and freely giving what you have to others. Generous people are not selfish. They give their time, money, food or kindness to the one who is in need. A generous person will help without hoping for any praise or reward. We need not be rich to be generous. We can spend time, experience, food and skills to help others.

K. KAVINA SREE, III-B

Being generous can make people feel great because they feel like they made someone happy. Generosity is one of the most important traits that my family taught me. Doing well with good intentions will lead to beneficial results. Generosity is being nice and not expecting something in return.

M. THARIQ, -VII A

### Virtue of 2nd week is Determination: (Feb 6- Feb12)

**Determination is a positive emotional feeling that involves persevering towards a difficult goal in spite of obstacles. In other words, determination is not just a cognitive state, but rather an affective state.**

Determination: The ability to strive for something no matter how difficult it may be to achieve. Determination is among the most important traits a person can bear. With determination comes strong will, optimism, and a good set of priorities. When people are reaching for their goals and pushing themselves to do their very best, Determination is a very powerful characteristic, one that truly impacts our life. Dreams and goals are accomplished when you have the determination to aim for them, working your hardest to do your best. You cannot reach your full potential unless you have the will to do your very best at all times and to work past the many difficulties that will arise along life's path. Being determined gives you the strength to push yourself.

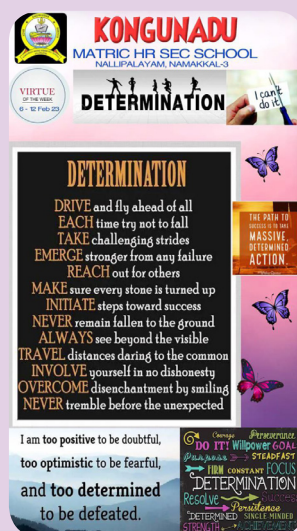

M. KANISHKA, -VIII-B

Determination shows how serious you are for achieving your goals. It depends upon the intensity of one's desire to pursue one's goal. It is important for one if he/she wants to achieve success. This is the way one can also be influential and inspirational for others. Determination is setting a resolution for the carrier. Determination is for a positive change in someone's personality.

*" Success is achieved by ordinary people with extraordinary determination"*

M.S. HASINI, VII-A

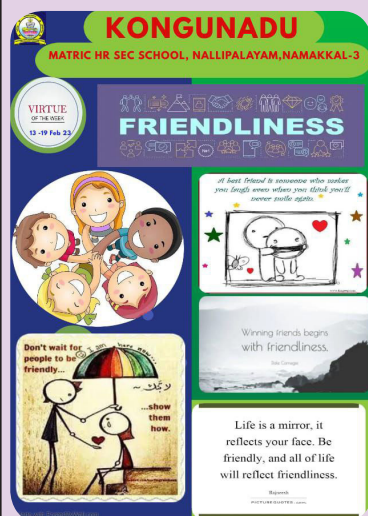

DRIVE and fly ahead of all  
EACH time try not to fall.  
TAKE challenging strides.  
EMERGE stronger from any failure.  
REACH out for others.  
NEVER tremble before the unexpected.

M. PRANAV VIJAY, VIII-A

### Virtue of 3rd week is Friendliness: ( Feb 13 -Feb 19)

**Friendly people are good to be around. They are sociable, pleasant companions, who always know how to say things the right way, even when they are challenging others' behaviour. They are the natural facilitators in groups, making the social round move more smoothly.**

Friendliness is like the fragrance of a flower. Flower doesn't spread its fragrance selectively, it spreads its fragrance for all, if someone's nose is blocked, then they can't experience that fragrance. In the same way, naturally, you be friendly with all.

S. SHANVI MITHRAA, - LKG A

Friendliness is showing kindness toward others. It is being a good friend, through good times and bad. Friendliness is taking interest in other people, being warm and courteous. Friendliness can be shown in a warm smile, a gentle touch, or a kind word. Friendliness is the best cure for loneliness. Friendliness is to go crazy with each other, the quality of behaving in a pleasant, kind way towards someone.

P.K. HARIVARSHA, III- B

Friendship is a selfless relationship between two or more persons with a sense of affection and esteem. Friendship can happen between any individuals irrespective of their geographical boundaries or nationality. Two friends generally keep their heart open for each other and don't keep anything secret. Many people befriend rich individuals for the sake of money and escape the responsibility whenever their friend is in a difficult situation. A true friend will never leave his friend whatever may be the situation and will always stand

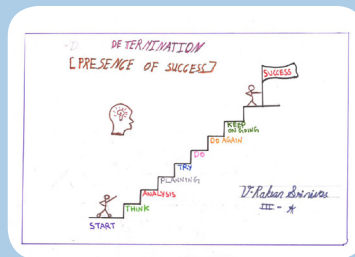

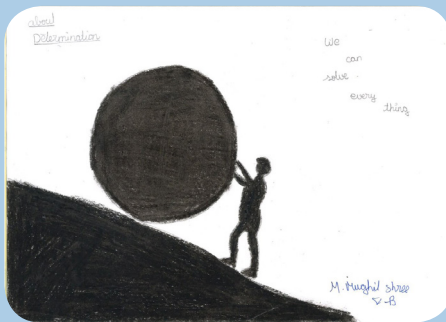

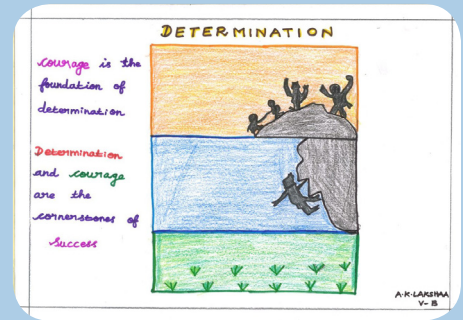

strong beside them. The friendship acts as a balm on the pain of sorrows, griefs and suffering of life. Friendship can also prosper with animals since they are the ones who will never betray you. The adverse condition helps to test the authenticity of friendship.

S. THIRUNAYAN, VIII-A

Virtue of 4th week is Truthfulness: (Feb 20 - Feb 26)

Truthfulness is important to build up the character of a man. A man whose character is not good is not loved by anybody. So we should always speak the truth. We all need to realize our potential and learn to stay true to our own convenience.
