#### Mentor's Message

Greetings!

As a mentor I would like to share some ideas with you all. The present day students with fine characters live by their values. They are honest and committed to truthfulness, good words and good deeds. This is possible by getting an enlightened education and knowledge. Education is not an act of acquiring knowledge but learning a skill to lead life and forming one's personality.

the minute we are born, until we die. It is believed that to stop learning is to stop living. Please remember that life without struggle is a life without success.

Every one of you is like a butterfly in our school. Some of you can fly higher than others. But each one of you can fly the best you can. I hope that your journey with us in this institution will definitely help in bringing fruitful results.

## CELEBRATIONS

### KG GRADUATION DAY

Our school celebrated Kindergarten Graduation day on 6<sup>th</sup> April 2024. The program started with prayer song. Our guests Mr. Yuvaraj Kannan and our founder Prof. Dr. N.Rajendran and director Mr. S.P. Ramasamy, Principal Mr. M.Divyanathan, KG Kids and parents lit the lamp. Tiny tots dressed up with nice attires and performed different activities like dance and skit which were appreciated by all those who were gathered. At first Bharatanatyam was presented by students. A skit on mind vs heart was presented. The most important part of the day "**Graduation Ceremony**" started with the smart tiny tots of UKG dressed in graduation robes and caps, looked pretty walking on the stage. Principal sir along with the guests felicitated the students with certificate of graduation. Beautiful dance and conversation on different topics were presented by our kids. The programme ended with the vote of thanks by P. K. Harivarsha-IV A. It was indeed a joyous and memorable day for not only the little ones but also a proud moment for the parents and the mentors as they witnessed their children acquiring their Kindergarten Graduation certificates. May God bless these tiny "graduates" as they continue their education in the main stream of the school.
